Course Summary Report

The screenshot displays the EMBARC Administrative interface. On the left is a navigation menu with categories: Curriculum, Courses, Standards, Interventions, Activity Search, Pending Activities, Lesson Plan Search, Reports, Exports, Classroom, Assessment, Administrative Functions, Help & Training, Support, Preferences, and Logout. The 'Curriculum' section is expanded, showing 'Courses' and 'Scope And Sequence' (selected). The main content area is titled 'Scope and Sequence' and shows details for 'Department: CTE - Health Science - Healthcare Therapeutics' and 'Grade: 9th'. Below this, the course 'Principles of Health Science' is listed as '(Pending)'. A red arrow points to the 'Edit Mode' checkbox, which is checked. To the right of 'Edit Mode' is a 'Reorder Units' link. The course is broken down into units and topics, each with a 'New Topic' button and a count of items. The units and their topics are: 'Unit: Welcome - 1 Hour' (08/17/22 - 08/17/22) with 'Course Welcome - 1 Day' (4 items); 'Unit: Introduction to Medical Terminology - 9 Days' (08/19/22 - 08/31/22) with 'Word Analysis - 5 Days' (2 items) and 'Directional Terms - 4 Days' (2 items); 'Unit: Testing, (Non-Instructional Days) - 3 Days' (09/02/22 - 09/07/22) (0 items); 'Unit: Career Explorations - 5 Days' (09/09/22 - 09/15/22) with 'Healthcare Career Overview - 2 Days' (4 items), 'Personality Assessment - 2 Days' (3 items), and 'Career Exploration - 4 Days' (2 items); 'Unit: Healthcare Systems and Insurance - 8 Days' (09/19/22 - 09/28/22) with 'Healthcare Systems - 1 Day' (2 items), 'The Availability of Healthcare - 1 Day' (2 items), and 'Insurance - 6 Days' (4 items); 'Unit: History of Healthcare - 8 Days' (10/04/22 - 10/13/22) with 'History of Medicine - 3 Days' (1 item) and 'Historical Significance of Healthcare - 5 Days' (2 items); and 'Unit: CPR and First Aid - 17 Days' (10/17/22 - 11/08/22) with 'CPR - 10 Days' (0 items).
